Note:

An LCD projector, connected to a laptop, is available at the conference center. We would appreciate receiving your presentation in advance if possible (CD-ROM, Zip disk, or a 3.5" floppy). If you send your presentation electronically by email, we can save it for you. Please bring your disk with you. As a backup, please print your presentation on a set of overheads and bring them with you.

Please provide this information to: Carol Lewis, U.S. Geological Survey, 417 National Center,
Reston, Virginia, 20192; Telephone 703-648-5676; Fax number 703-648-5644;
Email cilewis@usgs.gov

Copies:

We must have at least one hard copy of your presentation for our official FACA records. Be sure to leave this at Registration Desk. If you wish to provide all attendees with a black and white paper copy or outline of your talk, please bring 75 copies with you.
